

HOOK, LINE, AND SINKER

HOOK: The drugs that get people hooked. **LINE:** The lie that gets them to take the drugs. **SINKER:** The bad results of taking drugs.

THINK ABOUT IT...

Use the cartoon above to answer the following questions:

What drug promises a shortcut to a perfect body?

What line encourages abuse?

What side effect can hurt abusers and those around them?

Be Street Smart

Avoid tempting shortcuts. Exercise is the safe way to build muscle.
